GENERAL TEXTBOOK INFORMATION

1. The Division pays for adopted core texts. All adopted texts are listed in the SBO Approved Textbook List.
2. In the SBO Approved Textbook List, a check (✓) indicates core items; supplemental items that are not free with the purchase of a classroom set of student materials are paid for by school funds. The Division pays for all resources listed under CTE.
3. Schools follow an established process for ordering textbooks. The process may be accessed at Textbook Ordering Process.
4. Copies of the *Textbook Requisition and Purchase Order* form are available via the **Warehouse ordering system**.
5. Note: The publishers listed in the Approved Textbook List are the original publishers from whom the division orders while the purchase is under a state contracted price.

Textbooks that are no longer under a contracted price may be ordered from another vendor. The division has used the following discount textbook sources:
