

Virginia e-Learning Backpack Initiative

Parent/Guardian of _____,

As a 9th Grade student attending Montgomery County Public Schools, your child has the opportunity to participate in the e-Learning Backpack Initiative. Your child will be issued a Windows 8 tablet for this initiative. The Windows 8 Tablets are intended to support instruction and will be utilized to increase engagement, increase response rates, individualize instruction, provide instructional data and maximize the use of MCPS electronic resources.

A feature of the e-Learning Backpack Initiative is to allow students to take the tablet home on a daily basis. In order to take the tablet off campus, you and your child must agree to the following conditions:

1. Students are governed by the MCPS Acceptable Use Policy and the Student Code of Conduct while operating MCPS-owned technology equipment whether on MCPS property or off campus.
2. Students will be supervised and have filtered Internet access when using tablets at school. This Internet filter does not exist off campus. The tablets have Restrictions set to *limit some content* from the Internet, however this Restriction is not an Internet filter and it is the parents' responsibility to supervise students while off campus.
3. Each student is expected to bring their tablet to class every day fully charged and ready for use.
4. To gather data about the utility of the program, students may be asked to complete surveys regarding their use of the tablets and could be video-recorded during class. The recordings and data collected will only be used internally by MCPS.
5. The tablet must be used in its intended manner. Content or applications that are not intended for this program may not be added to the device.
6. The software originally installed by MCPS must remain on the tablet in usable condition.
7. The tablet is MCPS property and must be treated as a valuable object. It is never to be thrown or abused. The tablet must not be left unattended in a public place or in an unlocked car where it can be stolen. The tablet must remain in the case provided. During transport, the tablet should be carefully set in the backpack so pressure is not placed on the device.
8. If the tablet breaks or fails to work properly, it must be taken to your Media Specialist as soon as possible.
9. If disabled, lost, willfully sold, or intentionally damaged, the entire cost of the tablet (\$635) may be assessed to the parent.
10. At the conclusion of the e-Learning Backpack Initiative, the tablet and accessories must be returned to MCPS in the same condition as issued. (Replacement chargers cost \$30.)
11. Failure to return the student-issued tablet in accordance with the stated conditions may result in disciplinary action and/or prosecution for all applicable crimes to include, but not be limited to, grand larceny.
12. Failure to honor all of the conditions listed above may result in the denial of Internet and other electronic media accessibility, disciplinary action, and a recall of the student's tablet.
