_____ 30 or more hours/week

Program type : **Check One**

	Head Start	Program meets Head Start program requirements and is funded by Head Start.	23
	Virginia Preschool Initiative	The classroom is funded by state grants and local matching funds under the Virginia Preschool Initiative (VPI) for at-risk four-year-olds, and meets VPI program requirements. Montgomery County Public Schools pre-school programs are included in this category.	21
	Private Provider	This includes programs for-profit and non-profit providers, including faith-based programs and commercial daycare centers.	50
	Coordinated Pre-kindergarten Classroom	The program coordinates funds from two or more federal, state, and local government grant programs, such as Virginia Preschool Initiative (VPI), Title I, and Head Start.	20
	Title I Pre-kindergarten	Program meets Title I program requirements and uses Title I federal funds.	22
	Coordinated Special Education	Student spends part of the day in a preschool special education program and part of the day in a pre-kindergarten program for non-disabled peers.	30
	Special Education Only	The student is served in a preschool program that serves only students with disabilities or developmental delays.	31
	Government – Tuition charged	Student is served in a pre-kindergarten or child daycare program operated by a government agency in which tuition is charged to the parent/legal guardian.	40
	Other	Student attended a preschool or child daycare program that does not fall into any of the above categories. If child attended a combination of any of the above, one of them must be selected as the primary provider.	61
	Not Provided	No information provided regarding the student's PK experience	99

Parent/Guardian Signature

Date

PK Experience Codes

No formal or Institutional PK program	Student was at home with a parent/guardian or in the home of another caregiver who was not licensed by the State of Virginia. The student did not attend a daycare.	60
Head Start	The program meets Head Start program requirements and is funded by Head Start and necessary matching funds or in-kind provisions. The program may be operated by a school division, community agency, or independent contractor. The program does not rely on funds coordinated from other pre-kindergarten programs.	23
Virginia Preschool Initiative	The classroom is funded by state grants and local matching funds under the Virginia Preschool Initiative (VPI) for at-risk four-year-olds, and meets VPI program requirements. The program may be operated by a school division, community agency, or independent contractor. The program does not rely on funds other than state VPI fund and the required local match.	21
Private Provider	The student is served by a preschool, child daycare, or other program provided by a private provider. This includes programs for-profit and non-profit providers, including faith-based programs and commercial daycare centers.	50
Coordinated Pre-kindergarten Classroom	The program coordinates funds from two or more federal, state, and local government grant programs, such as Virginia Preschool Initiative (VPI), Title I, and Head Start. The program meets the guidelines for the respective funding sources.	20
Title I Pre-kindergarten	The program meets Title I program requirements and uses Title I federal funds and necessary matching funds or in-kind provisions. The program does not rely on funds coordinated from other pre-kindergarten programs.	22
Coordinated Special Education	The student spends part of the day in a preschool special education program and part of the day in a pre-kindergarten program for non-disabled peers such as : VPI, Title I, Head Start, or child day care provided by a private provider.	30
Special Education Only	The student is served in a preschool program that serves only students with disabilities or developmental delays. The student does not participate in a coordinated special education program, in which part of the day is spent in a program for non-disabled peers.	31
Government – Tuition charged	The student is served in a pre-kindergarten or child daycare program operated by a government agency, such as a school division or the Department of Defense, in which a tuition fee is charged to the parent/legal guardian. This includes program in which tuition is charged on a sliding scale.	40
Other	The student attended a preschool or child daycare program that does not fall into any of the above categories. If a child attended a combination of any of the above programs one of the above programs must be selected as the primary provider. Do not use "other."	61
Not Provided	No information was provided regarding the kindergarten student's PK experience.	99
