

USE OF STUDENT SOCIAL SECURITY NUMBER

It may be necessary to use your child's Social Security Number in an effort to accurately identify students in multiple databases used in Montgomery County Public Schools.

This number will not be used outside of our school system to identify or publicize information for our students. It is used as a means of cross-reference in our district only.

_____ I agree to provide my child's Social Security Number to Montgomery County Public Schools for the purpose described above.
