Seating Chart

The **Seating** link in the Teacher's schedule will allow the teacher to create a seating chart that matches their Classroom Configuration. To arrange the seating chart simply drag each student and the teacher's desk and arrange as needed.

Teachers can change **Class** by selecting a class from the **Class** drop-down box.

The teacher may also **Take Attendance** from the seating link.

To take attendance:

1. Click on the drop down-box under individual student names and select the correct attendance code.
2. Verify the **MP** (marking period) and **Date**.
3. Click **Save**.

To print the seating chart, use the Print feature in the browser.
