

DIORAMA RUBRIC

The diorama should be a three-dimensional scene accurately depicting the historical topic. The diorama should demonstrate thematic unity, be neat, detailed and accurate and devoid of anachronism. It should demonstrate thorough understanding of the subject. All elements should be to scale. The diorama shows both artistic and technical quality.

LEVELS OF ACHIEVEMENT

EXPERT LEVEL: Meets or exceeds all the criteria above.

ACCEPTABLE LEVEL: Meets above criteria, but weaknesses are apparent in unity, analysis, or communication.

NEEDS REVISION: Product is weak in several of the areas and suggested revisions need to be made in the time period stated.
