<p><b>Item 2a:</b> Excludes the following revenue source codes:                      Special Education Hospitals, Clinics and Detention Homes (240220)                      State Sales Tax (240308 and 240312, which are included below)                      Special Education in Jails (240295)                      Alternative Education (240272)                      Academic Year Governor's Schools (240229)                      Career/Technical Ed Adult - Regional Centers (240262)                      Career/Technical Ed equip - Regional Centers (240270)                      Career/Technical Ed Occupational Prep - Regional Centers (240282)</p> <p>Also excludes expenditures reported as Inter-Agency Fund Transfer - Transfer to Regional Program (Function 67300 - Objects 9700, 9710, 9720, 9730, 9740). This amount is also deducted from "Total Expenditures for Operations."</p> <p>State revenues for Alternative Education and Academic Year Governor's Schools should be excluded from the regional program fiscal agent's revenues and should be added back to associated divisions according to their respective participation. This ensures that the state revenue for these programs coincides with the ADM for purposes of calculating Per Pupil Amounts in Table 15.</p>
